DECEMBER 2008

Deck Your Halls!

Need something new to get your house ready for Christmas? Our 9th annual library Christmas Sale is the place to shop! Our sale is going on now thru December 31st. We are still accepting your good quality Christmas decorations for our sale.

All monies raised stay in the library to support programs for children.

Safe Web Sites For Kids

As a parent you may not always realize what or where your child is going on the Internet. If you are looking for a good site to access for homework or just for fun you might check out the following suggestion. This information comes from the Eastern Library Association Newsletter for Nov/Dec 2008.

The Association for Library Service to Children (ALSC), a division of the American Library Association has added Web sites to the Great Web Sites for Kids, <http://www.ala.org/greatsites>, its online resource containing hundreds of links to commendable Web sites for children. The sites are organized by subject headings such as

animals, literature, languages, history, & biography, each site must meet a tough evaluation & voting process before they are deemed "great".

Check this out & share some time on the Internet with your child. Then when you want more information, come to the library for that book!

We helped the community!

Thank you to all of our patrons that donated items during our "Food For Fines" event. We have collected over **75** pounds of food and other items to give to the Saunders County Food Bank. This program not only benefits

the library by getting materials returned and fines cleared, but also benefits our community by helping those in need this holiday season. Thanks again for all of your generosity.

Thanks
