JANUARY 2010

The mission of the Wahoo Public Library is to offer all people a safe, accessible and attractive place vital to lifelong learning.

Wine and Dine!

The annual Wine and Dine is taking place on February 14th at Hilltop Country Club. The event will begin at 4:30 p.m. with wine & hors oeuvre, dinner will be served at 5:00 p.m. The cost is \$40 per person with \$20 of each ticket sold being a tax deduction. Dinner entrees will be your choice of prime rib or salmon. You may sign up for the dinner at the front desk of the library. This is a great way to celebrate Valentine's Day & support your library all in one day!

A.S.P. (AFTER SCHOOL PROGRAM)

The Lightning Thief by Rick Riordan is the latest pick for the after school program at the library. 12-year-old Percy Jackson discovers his parentage is linked to Greek mythology. In fact his father is a Greek God. The question is, which one? What does this mean for Percy and his new demi-god friends? Come to the program on Mondays at 4:00 p.m. to find out.

Congratulations to library staff member, Mary Peterson on her retirement from her "full" time job at the Saunders County Attorney's Office!

Got E-mail?

If so, we'd love it if you would share it with us! We are starting to collect e-mails from our patrons as another means of communication. We currently offer hold notifications and our monthly newsletter via e-mail, but hope to expand those offerings in the future. So, if you have e-mail let us know the next time you come in.

New Magazines

We've added several new magazines to our collection. Titles include Saveur, Fortune, Interweave Crochet, and Taste of Home Simple & Delicious. Also new to our collection is Creating Keepsakes which replaces Simple Scrapbooks.

Book Club!

Come and read with us! We have a great selection to fill your snowy days—"Dreams from my Father" by Barack Obama. Our discussion will be held on January 28th at 7:00pm. As always books are available at the front desk.

New readers are welcome at any time!

Want to get our newsletter emailed to you as soon as it's published? Just send an email to wahoolibrarynewsletter@wahoo.ne.us or sign up at the library!

Music CDs?

The library has started a collection of music for borrowing. At this time we have mostly adult selections, but are growing our children's choices. If you have any

gently used CDs that you would like to donate, bring them to the front desk. Receipts for tax donations will be given.

Come and check out the choices available!

A Prescription for a Healthy Nebraska

During the month of January, our monthly book display is giving way to a display on how to safely dispose of old medication. Protecting the environment is everyone's responsibility. To do your part, do not flush unused medications and do not pour them down the sink. Available are brochures with

information about how to safely dispose of these medication as well as step by step photos of the process. This display is sponsored by the Nebraska Pharmacists Association.
