JULY 2010

The mission of the Wahoo Public Library is to offer all people a safe, accessible and attractive place vital to lifelong learning.

Make a Splash Party!

Grand Finale of Summer Reading Program!

First National Bank of Wahoo, Wahoo Super, and the Friends of the Wahoo Public Library are sponsoring this summer's grand finale party on August 6th. We'll be heading to the Smith Park in Wahoo for fun in the park and to the

outdoor aquatic center for a chance to make a real splash! Free hotdogs and ice cream will be served in

the park at 4:00 p.m. Free will donations will be accepted. All donations will go to the Saunders County Libraries. (There will also be a bounce house!)

The pool is open from 6pm-8pm with a discount price of \$2.00 for kids and \$4.00 for adults (free for those with a pool pass).

So come, eat, and make some waves as we thank the library for a great summer reading program. Make sure to thank First National Bank, Wahoo Super and all of our Friends members too!

Welcome!

The Library Board of Trustees welcomes two new members this month: Arlene Johnson and Leon Binstock. Thanks to Leann Jeppson and Tim Rice for their service!

The library also welcomes new employee Gabe Haberman as our new library shelver. Make sure to come in and make him feel welcome as he helps keep our library materials in order.

Everyone loves a parade!

Participants of the summer reading program may join the library staff on our float, July 29th, as we walk in the Saunders County Fair Parade. Our water themed float will feature a scurvy pirate ship, arrrgh! For details, contact Carrie at the library.

Special thanks to the Knuth family for donating the pirate ship, Deb Kavan and family for transporting it, and to Scott Tinglehoff for letting us store it on his property.

Want to get our newsletter emailed to you as soon as it's published? Just send an email to wahoolibrarynewsletter@wahoo.ne.us or sign up at the library!

SUMMER READING—every weekday at 1:00pm through July 16th
No story time in August! We need to recover!

Book Club

This month we're reading *My Antonia* by Willa Cather. Set in Nebraska in the late 19th century, this tale of the spirited daughter of a Bohemian immigrant family planning to farm on the untamed land ("not a country at all but the material out of which countries are made") comes to us through the romantic eyes of Jim Burden.

We'll meet on July 22nd at 7:00pm to discuss. Copies are available at the front desk.

New Computer

The new AWE is here. This computer is specifically designed for children ages 2-10. It is preloaded with 54 educational games and comes with a touch screen. Sessions are currently set up to run for 30 minutes. Special headphones to be used only with this computer, can be checked out at the front desk. So, come in and try it out! Special thanks to the Friends of the Wahoo Library for purchasing this exciting computer for us!
