Section III. Instructions to Permittee

NOTE: Applicant is responsible for locating any buried utilities that could be encountered during construction. This can be done by contacting Diggers Hotline of Nebraska at 1-800-331-5666 (or 811) two working days before starting your project.

A Certificate of Occupancy is required on new construction.

ALL WORK IS SUBJECT TO INSPECTION (SEE INFORMATION ON BACK).

This permit shall be maintained available until final approval has been granted by the building official. THE PERSON DOING THE WORK shall notify the building official that such work is ready for inspection. 24 hour advance notice is requested (Call 443-3222 to arrange an appointment)

Except where an extension has been obtained in writing from the Building Inspector, permits issued shall expire within ninety (90) days if the work described in the permit has not begun or the use applied for has not been established and within one year if the work has not been completed.

I will commence work _____ and complete the same on or about _____ and will in all respects construct the work according to provisions of the ordinances of the City of Wahoo.

Applicant: _____

This application becomes a CONSTRUCTION PERMIT only after being validated by the Building Inspector's signature.

Date approved: _____

Building Inspector: _____
