

What is the proposed Program Area?

Housing Rehabilitation Assistance will be available within the city limits of all Saunders County Municipalities.

Is a Rental House Eligible?

No; only owner-occupied single-family housing units are eligible.

What is the typical amount of grant or loan assistance?

Assistance typically ranges from \$5,000 and not to exceed \$24,999 per unit. This limit may exclude a specific home from participating in the program. For example, if it is estimated that a home will still not meet basic standards after \$24,999 in repairs are made, then the home will not be eligible for the program.

Will I have to pay this back?

It is anticipated that financing will be Conditional Grants. You may be required to pay back a portion if you do not live in the home as your primary residence for at least 5 years.
