

Survey Links:

These are the links to use to access the survey:

Standard: <https://s.blueottersolutions.com/wahoo>

Short: <https://su.vc/wahoo>

Embedding Survey On A Website:

You can embed a questionnaire using this iframe code:

```
<iframe src="https://s.blueottersolutions.com/wahoo"></iframe>
```

Your questionnaire will be visible anywhere you put that line of code on your website.

For more in-depth/technical information, such as changing the size of the frame, using anchor links to to open a new tab or pop open a new window, embedding the survey on Facebook, etc. - refer to the following documentation:

<https://help.pointerpro.com/en/support/solutions/articles/35000043990-how-to-embed-a-survey>

Survey QR Code:

You can use this Image to place on websites, social media sites, printed material, etc.
