

## REAL ESTATE AGENT AUTHORIZATION FOR UTILITY INFORMATION

An Identity Theft Prevention Program went into effect Nov. 1st, 2009, in compliance with the Federal Trade Commissions' Red Flag Rule. The City of Wahoo Utilities has developed a Program to detect, prevent and mitigate identity theft in connection with the opening and maintenance of utility accounts. This means that NO billing information can be shared with anyone NOT authorized by our utility billing system.

When a Real Estate Agent lists a house in the City of Wahoo this authorization form will allow one Agent, listed below, to get Utility history of monthly billings, but will not include any personal customer information or payment history.

Must be complete and delivered to the City of Wahoo Utilities office **before** any information can be shared with a Real Estate Agent.
