

# DOWNTOWN WATER IMPROVEMENTS

## CONSTRUCTION NOTICE UPDATE

The City of Wahoo Utilities continues to enhance its water infrastructure to provide reliable, high-quality service across the city. Here's what you can expect in the next phase of construction that is replacing outdated water mains and service lines across 33 blocks of the downtown business area.

### Phase 1

- **North Linden Street (E 1<sup>st</sup> Street to E 7<sup>th</sup> Street):** Construction will take place throughout July, except for the intersections at E 5<sup>th</sup> Street and E 6<sup>th</sup> Street.
- **East 4<sup>th</sup> Street (N Maple Street to N Linden Street):** Construction will take place throughout July.
- **East 8<sup>th</sup> Street (N Linden Street to N Beech Street):** Construction will begin later in July.
- **Completion:** The first phase of construction will be completed, cleaned up, and reseeded in mid-to-late August.

### Phase 2

- **East 5<sup>th</sup> Street:** Construction will begin during the second week of July.

### Important Information

- Temporary parking spots and sidewalk closures will occur, but there will be no street closures at any location.
- Access to all businesses will be maintained throughout the construction period.

## CONTACT US

For specific comments or questions during the construction process, please call City Hall at (402) 443-3222. You can also visit our website at [wahoo.ne.us](http://wahoo.ne.us) for updated information.

Thank you in advance for your patience and cooperation as we work to improve water service reliability and fire protection for our community.
